Work Experience

Art and Animation Intern (Jun 2020 – Sep 2020)

Cherny Goods Company

Location: River Edge, New Jersey, United States

I was an Intern at a small leather goods company, creating artwork for various uses, writing descriptions for products, and solving other challenges that might arise.

- Designed a logo for the company
- Created a style guide and social media images for business
- Created artwork tooled onto leather goods
- Designed background and components for Live Streaming channel on Twitch.tv
- Animated notifications, interactive stage elements, and state screens for Twitch channel
- Edited product photographs
- Used Adobe Illustrator and Adobe Acrobat to create PDF templates for guidebooks for sale
- Designed and ordered a brass maker's mark for use in hot foiling
- Wrote descriptions and picked tags for product listings
- Used Trello project management software to collaborate with team members

Freelance Artist (2016 - Present)

Meetup

- Created a logo for Meetup Platform Engineering Team.

Megaon

- Researched, wrote script, animated, voiced, and edited a set of videos for Timely Topics Channel. Managed YouTube listings.

Private Client

- Illustrated characters for a children's book.

Treasure Scanner

- Created a collection of icons for Treasure Scanner mobile app. Curated artwork for the app.

NY Web Performance Group

- Designed Raffle cards for NY Web Performance Group.

Other Experience

24 Hours Animation Contest for Students

Organized and managed a team of five animators to produce a 30 second animation for submission to the competition within 24 hours.

Duties and tasks performed:

- Organization
- Management
- Animation
- Art asset creation
- Background Art and Illustration
- Video Compositing and Editing

MOCCA Exhibition

with William Paterson University Team

I was present at the presentation table for one of the presentation days, to help set up, present and sell both my work and the work of my class members.
